

Responsibilities of the education committee

I have a brief list of the current responsibilities of the Education committee

- a. Initiate meeting of committee by email or conference call
- b. Recommend topics and speakers for two annual symposia (at USCAP and ASCP, to BOD for final decision)
- c. Develop plan for list serve and objectives (to be managed initially by Vinita)
- d. Investigate on-line CME and posting of courses
- e. Consider whether to initiate consensus reviews for specimen handling, reporting and interpretations
- f. Decide on future platform or poster presentations at ASCP or USCAP meeting
